of our best operatives! (Carmen
hired both of them!!).

The Chief

Sven Galli

What a find! It's hard to believe we met when Sven was leaving a Stones concert and tried to steal MY purse. Now he's one of the vilest of the V.I.L.E.

Vital statistics:

Height - 5'10"
Weight - 150 lbs
Hair - Red
Sign - Taurus
Hobby - Hockey

Souvenir of our first tete-a-tete.
(He read my fortune in the refried beans)

Gypsy Rose Lasagna

Here's Gypsy too busy reading palms to eat her favorite food, tacos, so I'm doing it for her. Yum!!

B.B.D. O'Brien
What a gal! Always willing to share her advertising knowledge with a co-worker. When I recruited her she was selling hot copies of Choplifter on a street corner in San Rafael.

Met Gypsy at her combination tea room/used hub cap shop in East Plainsville. Walls were covered with her priceless collection of stolen rock and roll posters.

Taboo subject:
Never mention that blondes have more fun

Favorite gem:
Onyx (to match her hair)

Gypsy sold hubcaps to everyone on her favorite team.

Special talents:

Plays accordion. Moonlight Sonata, her favorite piece. Great sandlot pitcher. Her dream is to explore Sinbad's cave.

Fisherman's Grotto #6 7/8"
Restaurant

We had lunch here after B.B.D.'s first job for us. She confessed she hated her brown hair and was thinking of dyeing it peacock blue.

Sheriff Paul Drive

Here's Paul entertaining his fellow workers down at the big supply depot. They're sure thrilled.

Met the big Blond hunk on his way to a Crayfish Feed.

A memento from Paul's collection. His big dream is to see himself on one of these!

Good at truck driving. Can do wheelies with his forklift!

Ken dining in style on fish sticks on the patio of his favorite restaurant, L'Obuster Verde. I've been trying to convince him to put a streak in that mousy brown hair of his, but no luck so far.

Achievements:

- 1) Stole trophy from star forward after losing in a game of one-on-one.
- 2) Won fifth-grade spelling bee. Winning word: spelunking.

Double trouble! Off to the big game and a day of fun, fun, fun for the dynamic duo.

standing ovation.

Hobbies:

- Needlepointing scenes of famous disasters
- Playing old Caruso records
- Designing tarot cards

Heidi Gosikh

My favorite blonde.
This was taken the day she went to the Waylon Jennings show. She was so excited.

Haven't tried this one yet.

From the Kitchen of Heidi Gosikh

Southern Fried Chicken Mysterioso

- 1) Steal one medium size chicken for each four guests...
 - 2) Pluck
- (over)

Strengths: Genius with an oil can and wrench. No troubles with your getaway car when tuned by this lady.

Weaknesses: Don't plan a job when a hockey game's on the tube. Better yet, don't even call.

Venus H. Pencil

Taken on her last day on the job. Oh well, word processing's loss is Crime's gain. She'll have to take out her aggressions on the sink now. (She's one terrific goalie.)

Best used to distract a crowd. Also good playing goalie.

Bio:

Former word processor
Sang lead in "Barber of Seville"
Co-authored "The Scarlett O'Hara Cookbook"
Wrote article on why blondes have more fun

TRES CHIC BEAUTY SALON FACIAL, MANICURE, PEDICURE AND HEAD-SHARPENING.	\$ 35 00

Wendy Pauper

Half-time madness!
Wendy and the lead
guitarist from
Reeking Sewage
tear things up
at the stadium.

Great addition to the team!
Recruited her 8/15 from a
club on the outskirts of
Cleveland. Cooks great
chicken creole.

She never misses a game!
(The team even gave Wendy
her own helmet.) Too bad
it'll cover her gorgeous
red hair...

MIAMI
DOLPHINS

Lost again!
Next time we
pull a job
in Vegas, I'm
going to show
her the ropes.

Alexander Graham Edison

Alexander engaged
in his (and my)
favorite sport.
(That's me keeping
score.)

Souvenir of our
first date. I
listened to this
while he fixed
his carburetor.
Too bad I don't
like opera.

NOTES: This blushing brown-haired beauty
was a lineman laid off by the local phone company
when I met him in a we-never-close fried chicken
bar. He was planning to use his training to
become a freelance gene splicer until I convinced
him to sign up with V.I.L.E.

Benjamin Hana

The chef picks his "menu" for tomorrow with a little help from a "friend." (Just horsing around, of course.)

Benjamin's Folly!
The only good tips he's had lately are on asparagus, not horses.
